

THIRD ANNOUNCEMENT

THE SOLAR SYSTEM BODIES: FROM OPTICS TO GEOLOGY

the international conference at
Astronomical Institute of Kharkiv V.N. Karazin National University, Kharkiv, Ukraine

May 26-29, 2008

<http://www.astron.kharkov.ua/conference/ssb/08/index.php>

Dear Colleagues,

this is a third announcement for the conference on “The Solar system bodies: from optics to geology” which contains practical information regarding both of your travel and of your participation in the conference.

Location of the conference

The sessions will be held at the main building of the Kharkiv V.N. Karazin National University, (Svobodu sqr. 4), in the Sinelnikov lecture hall (left side, 7th floor). Reception and registration on May 26th will be held at the Institute of astronomy (Sumska str. 35) which is located between the University building and Shevchenko square.

You may get to these places:

- from Railway Station by metro to the station “Universitet”;
- from Airport by bus no. 119 to the stop “Metro Universitet”
- from the hotel “Gloria” by metro to the station “Gosprom”

The metro stations “Universitet” and “Gosprom” belong to different lines but have common connection and are very close to each other and to the University building and to the hotel “Kharkov”. Locations of the conference and hotels are shown in the map of the central part of Kharkiv.

Location of the accommodation

Hotel "Kharkov"

Address: Svobody sqr. 7

Phones: +38 (057) 758 00 08, +38 (057) 758 01 53

How to get there:

- from Railway Station by metro to the station “Universitet”;
- from Airport by bus no. 119 to the stop “Metro Universitet”

Hotel "Gloria"

Address: Plekhanovskaya str. 57

Phones: +38(057) 732 19 05, +38(057) 739 21 21

How to get there:

- from Railway Station by metro to the station “Sportivnaja”;
- from Airport by bus no. 119 to the stop “Metro Sportivnaja”

Programme

Preliminary programme and abstracts are available on-line

<http://www.astron.kharkov.ua/conference/ssb/08/abstracts.php>

Oral presentations

An LCD projector and a PC laptop will be available for oral presentations. Speakers should bring their presentation on a USB memory drive to download on the laptop PC provided at the meeting.

Poster presentations

The maximal size of posters should not exceed 100 cm wide and 120 cm high. Posters will remain on display near the conference hall throughout the conference. A poster session is scheduled after the lunch break on Thursday, May 29. Author will have 5 minutes each to present their posters.

Computer and internet facilities

During the Conference wireless (via Wi-Fi) access to Internet will be provided in the conference hall. Also there will be the possibility to use our computers or connect your own computers via Ethernet for access to Internet at our Institute (from 9:00 a.m. till 9:00 p.m.).

Registration fee

The registration fee is Euro 200 (200 UAH for participants from former Soviet Union countries). It includes the abstract book, coffee breaks and attendance to all official events organized by the LOC. The registration fee should be paid upon arrival at the registration desk. The registration desk will be open starting from Monday (May 26) 15:00 at the Institute of Astronomy and during the meeting.

Organizers

Astronomical Institute of Kharkiv V.N. Karazin National University
Association of Graduates, Lecturers and Friends of Kharkiv V.N. Karazin National University
Ukrainian Astronomical Association

Scientific Organizing Committee (SOC)

M.A. Barucci (Paris Obs., France)
A.T. Basilevsky (Vernadsky Institute, Russia)
I.N. Belskaya (Kharkiv Univ., Ukraine)
E. Bowell (Lowell Obs., USA)
A. Cellino (Torino Obs., Italy)
A.F. Chicarro (European Space Agency, Netherlands)
J.W. Head (Brown Univ., USA)
N.N. Kiselev (Main Astron. Obs., Ukraine)
A.C. Levasseur-Regourd (Univ. Paris 6, France)
D.F. Lupishko (Kharkiv Univ., Ukraine)
L.M. Lytvynenko (Institute of Radio Astronomy, Ukraine)
M. I. Mishchenko (NASA Goddard Institute for Space Studies, USA)
C. Pieters (Brown Univ. USA)
P. Pinet (Toulouse Univ., France)
V.V. Shevchenko (Moscow Univ., Russia)
Yu.G. Shkuratov (Kharkiv Univ., Ukraine), chair

G. Videen (Space Science Institute, USA)
Ya.S. Yatskiv (Main Astron. Obs., Ukraine)

Local Organizing Committee (LOC)

Yu.V. Alexandrov, I.N. Belskaya (chair), V.V. Korohin, V. G. Kaydash, V.V. Kruglova,
Yu.N. Krugly, V.A. Psarev, E.V. Shalygin, V.G. Shevchenko, N.A. Vorobjeva, A.P. Zheleznyak
